- Instructor: I-Chen Lin (林奕成)
 - Email: ichenlin@cs.nctu.edu.tw
 - Office: EC704
 - Tel ext: 56684

- TA: 卓孟虹、蔡明翰
 - Email: combo1966@gmail.com , ParkerTsai@caig.cs.nctu.edu.tw
 - Office: EC237
 - Tel ext: 56675

The course & your project

- Your project in CS project II
 - Work on something not introduced in textbooks.
 - E.g. paper study, practical system implementation, etc.
 - Collaboration with your teammates (1~4 members per group).
 - Work with advisers and research labs.
- The class: CS project II
 - The official : English.
(We still allow speakers or questioners using Chinese to further clarify your explanations.)
 - Share your study and work through presentation and project contest.

CS project contest 2013

- The schedule:
 - 9/23: report submission deadline.
 - 9/30: notification of the 1st round review result (entry to the finals).
 - 10/9: the finals. (15min demo and presentation)
 - 2014/4/12: the public demo of award-winners.
- The contest:
 - Please focus on: *innovation (comparison with related or existing methods or systems), technical difficulty, completeness, and presentation (clear and well-organized).*
 - Choose your most fluent language (Chinese or English).
- Please find the details from the department webpages.

The rule

- Check announcement of the course webpage.
- Present your study, idea and achievement in class.
 - 2~3 times, dependent on group amounts.
- Attend every talk and don't forget to sign your name.
- Ask at least one question in this semester. (in exchange of 1 free absence)
- Grades (temporarily)
 - Your base score from your advisors
 - 91-95: college-award-winner level
 - 86-90: department-award-winner level
 - 75-85: general level
 - <75: bad
 - Absence without reasonable excuses
 - -7 (since the 2nd absence, or the 3rd if you have 3 questions in total)
 - -15 (miss your report)
 - Presentation (and report) score (it will be weighted blended with the class scores).

What you have to do right now!

- Attend the webpage and register your team title, members, IDs, advisors, (optional)“report at 9/25”.
 - Webpage: <http://caig.cs.nctu.edu.tw/course/CSEP13/index.htm>
- Teams who do their presentations at 9/25 will get bonuses!
- 1st–round presentation
 - 15-minutes presentation (before Q&A).
 - Talk and Slides in English.
 - More emphasis on your goal, innovation, comparison and demo.
